

Mental Health Team at Oakfield

Oakfield Junior School is committed to ensuring the welfare and safety of all our pupils in school.

We are committed to supporting the emotional health and wellbeing of our pupils and staff.

We have a supportive, inclusive and caring ethos and our approach is respectful and kind, where each individual and contribution is valued.

At our school we know that everyone experiences life challenges that can make us vulnerable and at times, anyone may need additional emotional support.

Whilst all staff have a responsibility to promote the mental health and well-being of pupils, staff members listed below can ensure that staff, pupils and parents are aware of what support is available within our school and how to access further support.
