

Dear Parents & Carers

Communication

At Oakfield we operate an open door policy and value close communication between home and school. Staff work hard to ensure that if you as a parent have a concern that these are addressed as soon as possible. Staff willingly agree to meet with parents at mutually convenient times and respond to emails promptly. We value all feedback and really appreciate positive suggestions. In return we expect parents & carers to refrain from using social media e.g. Whatsapp to discuss sensitive or personal matters concerning the school, pupils or staff.

Author Visit

It was wonderful having an inspiring author visit Oakfield on Monday. M G Leonard (not her real name) author of the Beetle Boy shared some fascinating information about beetles and trains with the children and explained how she became an author. We hope children enjoy reading her books. Copies of which will be placed in the library shortly.

YEAR 3

Year 3 had a visit from a nutritionist who told us about eating the rainbow to help us to eat healthily. We then used the information to design a healthy sandwich.

YEAR 3

EGYPTIAN WORKSHOP DAY

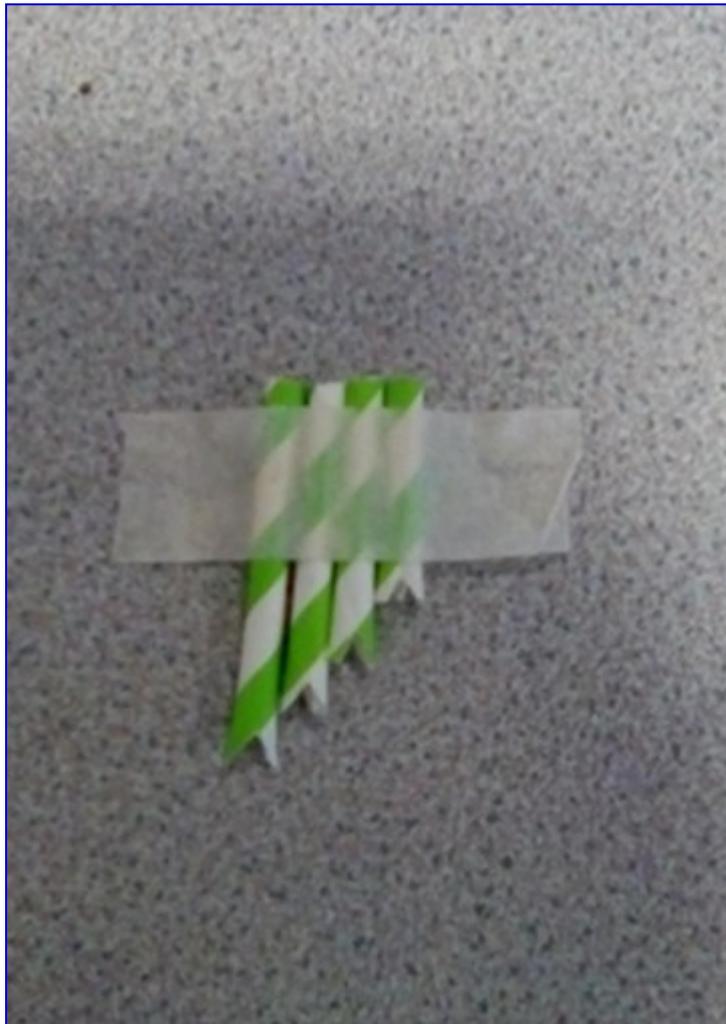

The children handled artefacts from Ancient Egypt including necklaces, bangles, pots and make up stones. The process of mummification was looked at in detail as the children completed each step in the process. They also took part in a drama workshop taking on different roles.

YEAR 4

As part of our Sound unit in Science, Year 4 have been learning about pitch. They investigated how different instruments made low and high pitch sounds and created their own panpipes. They concluded that the shorter the pipe, the higher the pitch and the longer the pipe, the lower the pitch. They made a fabulous orchestra from their creations!

YEAR 5

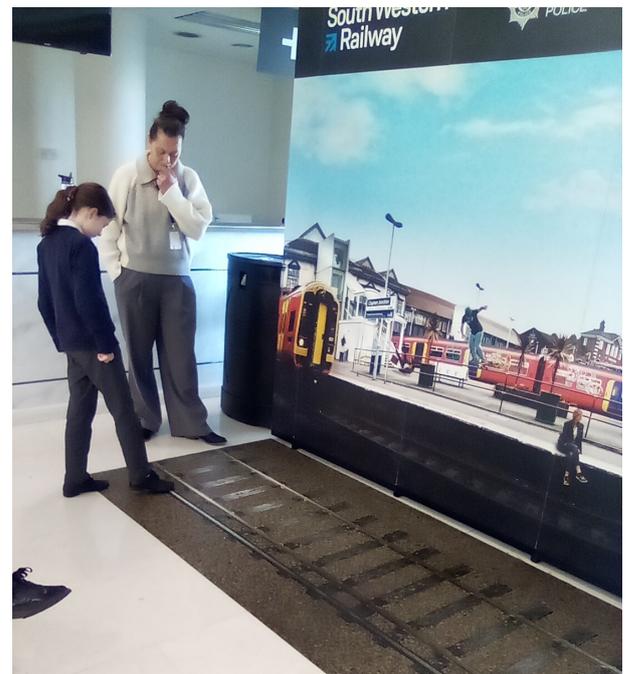

Year 5 are making great progress with their 'money containers'. So many successes, from buttons and button holes to embellishments/design features and we are so impressed with the quality of the sewing.

YEAR 6

JUNIOR CITIZEN EVENT

On Friday 8th March, Y6 travelled to Epsom Downs Racecourse for the annual 'Junior Citizen' event. They watched a series of interactive presentations designed to help keep them safe as they transition to secondary school in a few months' time. The workshop included information from the Rail Network, St John's Ambulance, Hope (drugs and alcohol charity), RNLI and the British Transport police. The children were very well-behaved and gave very positive feedback about the morning. Thank you to the parents who were able to help out on this trip.

YEAR 6

JUNIOR CITIZEN EVENT

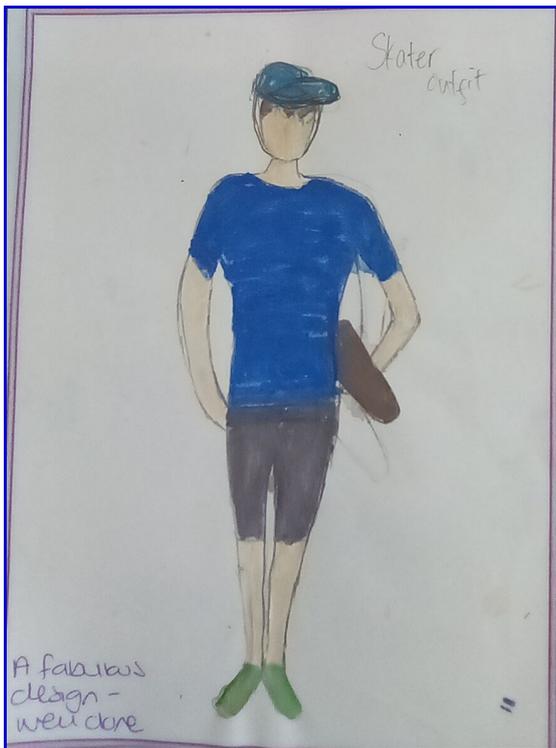

These are photos from the first aid workshop. The children learned how to put an injured person into the recovery position.

YEAR 6

FASHIONS IN ART

This term, Year 6 children have been learning about famous fashions in art. We have been looking at different designers and pupils have designed their own outfits for an occasion.

YEAR 6

THEATRE TRIP

Year 6 had a great afternoon at Leatherhead Theatre last Wednesday where they watched Howard of Effingham's production of 'Legally Blonde'. The pupils were a delight on the trip and we were all extremely impressed with the talent the Howard pupils displayed some of which were past Oakfield pupils.

LAN CENTRE

To celebrate World Book Day, children in the LAN Centre dressed up as superheroes! We enjoyed taking turns on the catwalk and being interviewed with a microphone, by Mrs Valente! The staff all dressed up too, and we explored the book 'Supertato' by Sue Hendra and Paul Linnet. The Centre topic has since returned to 'People who help us' in less supernatural ways, including firefighters and police officers.

RUGBY

Oakfield rugby team went to a tournament last Thursday at St Peters School in Leatherhead. They played some fantastic matches and showed great team work! Huge thanks to Mr Rapley, one of our link Governors, who gave up his time and took the team to the tournament. We are very grateful! Well done to the team who represented the school with such enthusiasm and pride!

SPORTS NEWS

CROSS COUNTRY

We are so proud of all our runners who ran in the cross country event last Friday. Everyone completed the course with courage and confidence. A huge thank you to the Friends of Oakfield for running a refreshments stall full of treats for our energetic runners. Our last event of the season is at KGV in Effingham this Friday 22 March. We hope to see more of you there!

Families LOVE the Specsavers Surrey Youth Games:

"My daughter absolutely LOVED every week from the first time." - Parent

"My son looked forward to attending every session." - Parent

"The other kids are all really nice. I've made friends I didn't know before." - Charlie, 12

"9 out of 10 children who took part in the Specsavers Surrey Youth Games last year said they were happier for doing so and their confidence had been boosted", according to Lil Duggan, MD of Active Surrey.

She added, "Daily physical activity is vital for children's happiness and physical and mental health. The cost-of-living crisis has exacerbated the challenges faced by Surrey's children, making it even more crucial for families to have access to free, fun and local activities."

Breathwork Techniques

Breathwork has been used for centuries to promote good wellbeing. When you feel stressed, your breath tends to become fast and shallow. This limits the oxygen entering your bloodstream. Your brain tells your body that there is a threat, and your body responds in fight or flight. Focusing on longer out-breaths than in-breaths can combat this by engaging the parasympathetic nervous system.

1

TEDDY BEAR BREATHING

Lie on your back, place a hand on your chest, and place a teddy bear on your belly button. Close your eyes and relax your entire body. Breathe in slowly through the nose. The teddy bear should rise, but your chest should not.

2

4-7-8 BREATHING

Completely exhale through your mouth, making a "whoosh" sound. Close your mouth and inhale quietly through your nose as you mentally count to four. Hold your breath for a count of seven. Exhale completely through your mouth, making another "whoosh" sound to a count of eight.

3

LION'S BREATH

Inhale deeply through your nose for a few counts. "As you exhale, breathe out through your mouth, sticking out your tongue and making a 'haaaa' sound.

PARENT SUPPORT SESSION

The Family Information Service support all families with children and young people up to the age of 25 years old and the professionals who work with them. To learn more about this valuable resource please come along to our coffee morning on **26th March 9am - 10am at Oakfield Junior School** when 2 of the Community Connectors will be attending to share more about the work they do and to offer/sign post parents to the relevant services which are available. A Family Communications Officer, will also be present to share information about the Education, Health and Care Needs (EHCP) Assessment process which may be helpful for families who have children with Additional Needs and Disabilities.

Leaflets for both services are attached for your further information.

Please click on the following link to register your interest for the Parent Support Session at Oakfield on Tuesday 26 March 9.00—10.00am:

**Family Communication Officers
Learners Single Point of Access (L-SPA)**
<https://www.surreylocaloffer.org.uk/lspa>

Family Communication Officers are part of the L-SPA service. The officers support parents who have had a request for an Education, Health, and Care Needs assessment for their child declined. They seek to build strong professional networks, share knowledge and understanding of the process and offer additional avenues of support to provide a personal link for parents navigating the system of support for their child.

The officers will attend drop-in sessions and community events to promote the L-SPA, advise parents and direct professionals.

Please contact the team should you wish them to attend any events or drop-ins or if you would like to discuss other ways of partnership working: dfs@surreycc.gov.uk
